Major Legislation Passed in 1984

The following is a summary of major legislation affecting the Insurance Division passed at the 1984 Session of the Maryland General Assembly and signed into Law under Chapters of Acts of 1984:

S.B. 434 (Chapter 120) Provides the Life and Health Insurance Guaranty Association an accounting of funds which are assessed by the Association and turned over to the receiver of a company in rehabilitation or liquidation.

S.B. 110 (Chapter 515) Allows the Insurance Commissioner authority, with regard to Nonprofit Health Service plans, to withdraw previously approved rates, to adopt rules and regulations, and to revoke the certificate of authority of any Nonprofit Health Insurance Plan for failure to comply with any rule, regulation, or order. These are all powers the Commissioner has with regard to other types of insurers.

S.B. 112 (Chapter 95) Allows the Insurance Commissioner to deliver the Commissioner's statutorily required annual report any time during the calendar year, to be based on the "most recent available information".

S.B. 113 (Chapter 96) Decreases the frequency with which the Commissioner is required to examine the affairs, transactions, accounts, records and assets of each authorized insurer from every 4 years for life insurers and every 3 years for other insurers to every 5 years for all domestic insurers.

S.B. 231 (Chapter 522) Requires that a profit or nonprofit health care insurer reimburse for services covered by its policy, so long as the service provider is licensed to provide the service.

S.B. 357 (Chapter 737) Repeals a requirement that insurers file certain proposed rates with the Insurance Commissioner for prior approval, requires insurers only to file certain rate proposals with the Insurance Commissioner by the date the rate becomes effective; affects all lines except life, accident, health, marine, aircraft, medical malpractice, title insurance, the Maryland Automobile Insurance Fund, annuities, workmen's compensation, and surety; permits the Insurance Commissioner to reimpose a prior approval system on a line of insurance if the Commissioner finds an absence of competition.

S.B. 822 (Chapter 135) Extends from 15 to 30 days the time in which an insured may protest a proposed action of an automobile casualty insurer.

S.B. 1073 (Chapter 152) Extends the life of the State Property Insurance Availability Act, which channels federal assistance to owners of uninsurable urban property, until June 30, 1988 or as long as the federal assistance program is continued.

H.B. 260 (Chapter 399) Allows fraternal benefit societies to use the nonforfeiture and valuation standards currently applicable only to commercial life insurance companies; and generally relating to the nonforfeiture and valuation standards and insurance law.

H.B. 281 (Chapter 603) Establishes a new subtitle in the Insurance Code to regulate prepaid dental organizations; to include prepaid plans that are dental only and not a part of health service plans.

H.B. 444 (Chapter 618) Allows insurers to invest in the obligations of the African Development Bank up to 5 percent of the insurer's total assets.

H.B. 539 (Chapter 203) Increases to $50,000 the maximum amount of group credit life insurance that may be sold on the life of a debtor.

H.B. 566 (Chapter 424) Requires a profit or nonprofit health insurer to reimburse for services performed by nurse anesthetist, where the services are covered by the policy, whether or not the nurse anesthetist is supervised by a physician.

H.B. 877 (Chapter 451) Requires automobile liability insurers to notify policyholders that no surcharges may be charged on their policy for any payments or claims under Personal Injury Protection (PIP) coverage.

H.B. 908 (Chapter 659) Requires group health insurers to provide open enrollment for the spouse and children of a currently enrolled employee, without evidence of insurability, when the spouse loses coverage under another group health insurance policy due to the spouse's involuntary termination of employment without cause. The employee must notify the employer within 6 months of the loss of coverage.

H.B. 999 (Chapter 663) Allows an auto liability insurer to issue a policy which excludes by name any bad driver previously covered by the policy.

H.B. 1453 (Chapter 700) Requires that every group profit or nonprofit health policy or plan provide open enrollment for the subscriber's dependent children at any time, and without evidence of insurability, if the dependent children were previously covered under the subscriber spouse's policy and the subscriber's spouse has died within the last 6 months.

H.B. 1448 (Chapter 778) Provides for a new system of licensing and qualification for insurance agents and brokers.

Receiverships

The Maryland Indemnity Company

On or about March 3, 1976, the Maryland Indemnity Insurance Company consented to an Order of the Circuit Court of Baltimore City placing it into Rehabilitation, and appointing the Insurance Commissioner, Rehabilitator. During the period of Rehabilitation, the Company's financial strength steadily deteriorated and on September 16, 1977, the Insurance Commissioner petitioned the Court to terminate the Rehabilitation and place the Company in Liquidation. On December 16, 1977 the Insurance Commissioner was appointed Receiver by the Court. Assets of Maryland Indemnity Insurance Company have been marshalled by the Receiver amounting to approximately $3,000,000. Claims filed with the Receiver against the assets amount to approximately $5,600,000 with additional claims still to be received from the Maryland Guaranty Associations on open claims still being adjusted by them. A plan of operations to ostensibly close out the Maryland Indemnity Insurance Company receivership in the calendar year 1984 is currently being pursued.

Section Reports to the Commissioner

Assistant Attorneys General - The Assistant Attorneys General assigned to the Insurance Division act primarily as counsel to the Commissioner of Insurance and the members of the Insurance Division. The Assistant Attorneys General's primary task is to interpret the Insurance Code for the Insurance Division and supply the necessary statutory construction in the form of Attorney General Opinions, advice of counsel letters or oral communication. An equally important function of the Assistant Attorneys General is that of litigation. The Assistant Attorneys General defend suits against the Commissioner and appeals from his administrative orders, as well as institute suits on behalf of the Commissioner to enforce the provisions of the Insurance Code.

All legislation proposed by the Insurance Division to the General Assembly is reviewed for legal sufficiency by the Assistant Attorneys General. All regulations proposed by the Division undergo the same review process. The Assistant Attorney General aid the Commissioner in his statutory role as Receiver or Liquidator of insolvent insurance companies.

Among the many other duties of the Assistant Attorneys General are the drafting and review of legal forms for the Division, answering correspondence from other State Insurance Departments and advising individual members of the Division on legal problems that arise with their assigned regulatory duties.

Process and distribute Supplements to the Directory. Compile and furnish statistical data and information for the Maryland Automobile Insurance Fund, the Maryland Guaranty Association and other associations or Governmental agencies.

The duties and responsibilities of those employees assigned to the performance of the field operations are summarized as follows:

Under the provisions of Section 30 of Article 48A of the Annotated Code of Maryland (1972 Replacement Volume, as amended) the Insurance Commissioner shall examine the affairs, transactions, accounts, records and assets of each authorized insurer, management company or owned or controlled subsidiary of such insurer and each rating organization as often as he deems advisable. He is required to examine each domestic insurer not less frequently than every four (4) years in the case of life insurers, and three (3) years in the case of other than life insurers. Section 18(2) provides for the appointment or employment of examiners to conduct or assist in examination of insurers.

Property and Casualty Bureau

The Property and Casualty Bureau is responsible for the review and examination of property and casualty insurance filings (including Title, Workmen's Compensation, and Mortgage Indemnity in addition to the general property and casualty) pertaining to rates, manuals, policies, rate schedules, or rating plans and every modification of any of the foregoing which the filer proposes to use. The Section attempts to promote the public welfare by regulating insurance rates to the end that they shall not be excessive, inadequate, or unfairly discriminatory. It submits recommendations to the Commissioner on action to be taken on filings involving rate increases or more restrictive policy provisions which cause the equivalent of a change in rates.

In addition to the above, it reviews statistics or data submitted by motor clubs to substantiate that fees collected are reasonable in relation to services rendered, reviews applications filed for rates on a consent basis for approval or disapproval, processes individual risk filings, reviews statistical plans for the reporting of premiums and losses, and processes registrations of premium finance companies.

The following is a summary of the filings received and action taken during the year:

Market Conduct Examination Section

This examination unit was organized in September of 1982. The first examination began in November, 1982.

One of the Division's major responsibilities is to evaluate compliance by insurers with statutes and regulations relating to market conduct practices of insurers and their dealing with policyholders and claimants in Maryland. The four key market conduct areas examined are:

1. Sales and Advertising;
2. Underwriting;
3. Rating; and
4. Claims.

There were six market conduct examinations completed and reports filed in 1983. Two examinations were in progress as of January 1, 1984. As a result of the completed examinations in 1983 the following administrative penalties were collected:

Nationwide Mutual Insurance Company and Nationwide Fire Insurance Company	$900.
Aetna Insurance Company	$700.
Hartford Mutual Insurance Company	$500.
Grangers Mutual Insurance Company	$2,000.

Examinations are made pursuant to Section 30 of Article 48A of the Annotated Code of Maryland (1979 Replacement Volume, as amended).

Life-Health Actuarial Section

The Life-Health Actuarial Section is concerned with the actuarial aspects of the regulation of life insurance and health insurance. Every form of life insurance policy, health insurance policy, and annuity contract in this State must be submitted to the Insurance Commissioner for prior approval. The review of these forms represents one of the chief functions of the Section.

The Section also is charged with making an annual valuation of the reserve liabilities of life insurance companies operating in the State of Maryland. Since the reserves representing these liabilities are generally the largest liability items of the respective life insurers, this work is most important in connection with determining the solvency of the companies concerned.

When domestic life companies are examined, the Life Section participates in the examination not only as to the reserve liabilities, but also in regard to other asset and liability items of an actuarial nature such as dividends payable, deferred premiums receivable, and nonforfeiture benefits granted. During the course of examination, problems relating to procedures, methods, management policies and company surplus levels are generally reviewed and discussed with the examiners as well as with the officers of the companies being examined.

This Section reviews applications for licenses of health maintenance organizations, reviews the forms and contracts of these organizations, and maintains an ongoing liaison with existing Maryland health maintenance organizations and those in course of formation in the State.

This Section also reviews rate filings to see that the rates are not insufficient, insecure or impracticable, and in the case of health insurance rate filings, to see that the benefits provided in the policies are reasonable in relation to the premiums charged. For credit life and health insurance, rate filings are reviewed to ascertain compliance with the regulations regarding these rates.

Companies issuing credit life or credit health insurance must file detailed reports annually regarding these operations. The reports are reviewed carefully to see whether the rate standards are being adhered to and also whether the standards should be revised.

Reports are solicited from all insurers doing health insurance business in Maryland with regard to procedures employed by the companies to control health insurance costs.

This Section is frequently called upon to assist the Complaint and Investigation Section in connection with numerous technical questions regarding complaints. In addition, the Section directly handled 2,200 inquiries and complaints in 1983 which were referred to it for various reasons.

Applications for admission of life companies to Maryland are reviewed by the Life Section and recommendations are made to the Commissioner based on this review. In 1983 there were 75 such reviews made.

During the fiscal year 1984 the Life-Health Actuarial Section processed and examined 28,000 forms of life and health policies and annuity contracts. Also, 1,139 premium rate filings were received and reviewed. The Section handled over 20,000 pieces of correspondence.

The amount of life insurance in force in domestic Maryland companies as of December 31, 1983 was $38 billion, the reserves for which were $2,496,925,769.

As of December 31, 1983, over three million persons in Maryland were covered by life insurance under eight million policies, the face amount of which was about $96,000,000,000.

The amount of new ordinary life insurance currently being purchased in Maryland is approximately $11,000,000,000 annually.

The average amount of life insurance in force per family in Maryland at the end of 1983 was approximately $60,000.

Qualification and Licensing Section

The Qualification and Licensing Section is responsible for processing of applications of individuals, corporations and partnerships for insurance qualifications and issuing agents, brokers, insurance advisers, public fire adjusters and miscellaneous licenses. This section is also responsible for the filing of trade names used by agents and brokers.

Applicants for property and casualty insurance examinations must have qualified either by experience or by the successful completion of an approved 96 hour study course. Life and Health applicants are required to complete a 60 hour study course. Examinations are administered by ETS (Educational Testing Service) twice each month at 5 locations in Maryland on a "pre-registered" or "walk-in" basis, thus permitting an applicant to sit for the examination with no longer than a two week wait. Once an individual has qualified by examination, he may become licensed as either an agent for one of Maryland's admitted insurers, or as a broker eligible to place business with all licensed companies. A broker may also be issued a license as a Surplus Lines Broker.

The Licensing Section also issues approximately 1,100 certificates for motor club representatives for which no examination is required.

This Section is now in a period of transition from a manual system to computer system. We are currently issuing agents and brokers licenses from the Computer.

Complaint and Investigation

As a service to policyholders, beneficiaries, and claimants and as a means of checking the compliance and performance of insurance companies, agents, and brokers, the Complaint Section receives and investigates complaints and requests for information about policy contracts and other insurance problems and questions. This section investigates the cancellation or non-renewal of insurance policies and maintains a review of automobile and property insurance cancellations to protect those who are cancelled without valid cause. Facts disclosed by these investigations may lead to the suspension or revocation of licenses. The operation of this service frequently results in the return of unearned premium or the collection of unpaid claims. Investigators visit outlying cities to provide an advisory services to these areas. Announcements to local news media are distributed in advance to notify the public of the availability of this service.

In those instances where an investigation results in the need for a hearing, this Section prepares and presents the case for Hearing. In 1983, this Section prepared 158 disciplinary or Section 35 Hearings.

During the calendar year 1983, a total of 17,316 written complaints were received. There were 63,297 inquiries received. An inquiry is usually made by telephone and concerns a question or subject that can be satisfactorily concluded on the basis of a single conversation.

As a result of processing the justified complaints made to this Section, a total of $2,955,877.00 was recovered for Maryland residents from insurance companies, agents or brokers.

Under statutory provision of Article 48A Section 240AA effective January 1, 1973, which gives the citizens of the State of Maryland a right to protest auto terminations and/or surcharges; there were 8,872 instances where policyholders took advantage of administrative procedures to protest and request hearings against proposed cancellation or non-renewal action by their insurer.

Hearing Section

The Hearing Section is basically responsible for receiving, evaluating, issuing of notices and preparing for hearings, scheduling of hearings; obtaining of evidence at hearings; conducting hearings; issuing of subpoenas; issuing of Orders following hearings or rehearings and preparing the record on appealed cases, all in connection with matters wherein a violation of the insurance laws is alleged of a licensee or former licensee of the Division. Collateral duties include review of proposed legislation, attendance at legislative hearings and special assignments. Due to the nature of and specialty work of this Section, effort is also extended in handling of inquiries and complaints from the public concerning hearing matters.

A large part of hearing volume continued to be referred to this Section for hearing as a result of enactment of law which was first effective in 1973 concerning the matter of automobile policy termination.

A total of 1,115 formal hearings were conducted during the year. Of these 1,029 involved policy termination matters and 86 were of miscellaneous types mostly of a disciplinary nature.

A total of 522 additional files were received for hearing to determine whether the insurer should be ordered to continue the policy, which it had attempted to terminate. These cases were resolved by pre-hearing conferences to the satisfaction of the insured, voluntary renewal of the policy, or withdrawal of the protest by the insured.

Additional miscellaneous files were referred to and handled by this Section upon which no hearing procedure was concluded. Each case was reviewed and investigated before a decision was made. In most cases, the complainant was satisfied and withdrew the request for further disciplinary action.

There were 9 cases appealed for which transcripts were prepared for presentment in Court.

Agency Investigation Section

The Enforcement Section's mission is multi-faceted involving, but not always limited to, screening of new applicants for agent's qualifications, inspection of insurance agencies, presentation of the Division case at disciplinary hearings involving agents, the investigation and disposition of certain consumer complaints, investigation and disposition of major complaints against insurers and presentment of certain cases at the hearing level and other duties as assigned by the Commissioner, his Deputy and Assistant Commissioner.

The following statistical data was compiled by the Enforcement Section for 1983:

1. Complaints from insurers and consumers involving agents (agencies) - 151.
2. Citizen complaints in general - 206.
3. Criminal Record Check without record - 982.
4. Privileged Communications processed - 85.
5. Actual agent or agency inspections - 65.
6. Cases sent to hearings - 61.
7. Cases presented at hearings - 38.

The inspection of insurance agencies are done on a random basis and as the result of reported or suspected deficiencies. The audit includes cash flow, refund processing, payment of accounts and overall solvency of an agency. The agent or agencies is often counseled as to how to improve their operation when no clear violation is descerned. The cash flow of the agency determines its size with many multi-millions of dollars in annual business. The average sized agency would do about 2 million dollars in annual premiums.

Speeches and meetings with agent trade associations are conducted throughout the year in an effort to keep them informed of new legislation and as a preventive measure to avoid possible violations.
